OFFICE OF  
STATE HISTORICAL SOCIETY

Topeka, Kansas. April 3<sup>d</sup> 1879.

Wm. Lloyd Garrison,

My Dear Sir:

Your letter of the 28<sup>th</sup> ult. has given great pleasure to the members of our society who have seen it. Thinking it would be read with interest by the public I have given it to the newspaper, a liberty which I hope you will think justifiable. We are greatly pleased to know that you see as we do that our society may do here a work of no little value in the collection and preservation of materials pertaining to the history of the great Anti-Slavery struggle in America.

Yours Very Truly,  
P. H. Adams.
